पुष्प लताओं पर खिले प्यारे-प्यारे फूल,  
रंग-बिरंगे फूल ताजा-ताजा फूल,  
नीरू स्मृति से हटी, शनैः-शनैः कुछ धूल,  
बने जब नये-नये कुछ रूल,  
हुये सब पढ़ने में मशगूल।

मेरा स्कूल है एक मन्दिर,  
रूतबा रखता हैं, जो सबसे ऊपर।

मेरा कल हो उज्ज्वल, हो सफल,  
उच्च जीवन हो लेकिन हो सरल,  
खुद सफलता ही नहीं आये चल के,  
देखना है स्वयं तुमको ही जल के,

मेरा स्कूल है एक मन्दिर,  
रूतबा रखता हैं, जो सबसे ऊपर।  
स्वस्थ जीवन की पद्धति बनायें,

सीखने की ललक भी जगायें,  
मूल्य जीवन का जिसमें छुपा हों,  
जिसका आधार सच पे खड़ा हों,  
खुद-ब-खुद होती प्रतिभा उजागर।

मेरा स्कूल है एक मन्दिर,

पूर्ण शिक्षा का मतलब यही है।  
शिक्षा भौतिक प्रगति की यही है,

है। विद्यालय की निरन्तर प्रगतिशील उपलब्धियों और सफलताओं का, इसमें विद्यालय परिवार के सभी सदस्यों को लगन तथा समर्पण अर्न्तनिहित है। स्मृतिका का यह अंक हम सबकी पहचान से आपको खूबसूरत कराने के लिये आपकी सेवा में प्रस्तुत है और इस शाश्वत सत्य को आप इसका अवलोकन करने के पश्चात अवश्य ही स्वीकार करेंगे।

विद्यालय की रजत जयन्ती यात्रा की मनोहर स्मृतियों, उपलब्धियों को समेटे इस अंक की प्रेरणास्रोत विद्यालय की **संस्थापक चेयरपर्सन श्रीमती पुष्पलता अग्रवाल** को यह रजत जयन्ती विशेषांक सादर समर्पित करता हूँ जिन्होंने अपने स्वप्न के साकार रूप का वर्ष 1987 से आज तक के सफर का क्रमबद्ध संकलन उपलब्ध कराया। बिना उनकी प्रेरणा के इसका इस मूर्त रूप में ढलना संभव ही नहीं था। आभारी हूँ स्मृतिका की **मुख्य सलाहकार श्रीमती अनुपम चौधरी जी** का जिनका मार्गदर्शन मेरे लिये चिरगामी अनुभव रूप में हृदयगम्य है। मैं कृतज्ञ हूँ **श्रीमती सीमा अग्रवाल जी** का जिनकी इन्द्रधनुषी कल्पनाशीलता से रजत जयन्ती अंक का मुख्य पृष्ठ सुसज्जित है तथा जिनके सशक्त वास्तविक दृष्टिकोण ने मेरे विचारों तथा लेखनी को गुरुता प्रदान की। ऋणी रहूँगा विद्यालय के प्रबन्ध निदेशक **श्री अनिल अग्रवाल जी** का जिनके अनुभवों के एक-एक मोती से स्मृतिका का यह अंक शोभित है। आभार व्यक्त करूँगा सलाहकार श्रीमती लीना शर्मा का जिनका सहयोग मुझे पग-पग पर मिला। प्रशंसा के लिये शब्दों की कमी है श्री दुर्गेश यादव के लिये जिनका उत्साह और लगन कल्पना से परे रहा वहीं सह-सम्पादक की भूमिका का निर्वहन श्रीमती मनुहार गोयल एवं श्रीमती रचना मालवीय ने सफलतापूर्वक सम्पादित किया। आभारी हूँ उन सम्माननीय विभूतियों का जिन्होंने अपनी शुभकामनाओं द्वारा विद्यालय के प्रति अपना स्नेह आशीष प्रदान किया।

ये सभी बच्चे बच्चाई के पात्र हैं जिनकी अनुपम कृतियों से रजत जयन्ती वर्ष का यह अंक शोभायमान है तथा वे अभिभावक भी जिनका सहयोग हर क्षण मुझे मिला। धन्यवाद के पात्र है विद्यालय परिवार की श्रीमती शबनम रजा, श्रीमती कृष्णा सरकार, श्रीमती रेनु कपूर, श्रीमती प्रेमलता द्विवेदी, श्री एच. एन. सक्सेना, श्री एस. एस. सक्सेना, श्रीमती सुषमा पाण्डेय, श्रीमती मेनका ननवानी, सुश्री हिना खान तथा स्मृतिशेष श्री आर. के. सक्सेना आदि का जिनके अनुभवों का सहयोग किसी न किसी रूप में मुझे मिला। धन्यवाद देना चाहूँगा श्री गौरव निगम और उनकी टीम को जिनका अथक परिश्रम स्मृतिका में परिलक्षित है।

अन्त में उन सभी लोगों का और विद्यालय परिवार के सभी सदस्यों का जो स्मृतिका के इस रजत जयन्ती अंक से किसी न किसी रूप में जुड़े रहे हैं सादर आभार व्यक्त करते हुये स्मृतिका के इस रजत जयन्ती अंक के सफल प्रकाशन पर हार्दिक बधाई देता हूँ। मेरा पूर्ण प्रयास है कि "स्मृतिका" विद्यालय परिवार की प्रतिष्ठा तथा गरिमा के पूर्णतः अनुकूल है फिर भी यदि सम्पादन में कोई त्रुटि रह जाय तो उसका पूर्ण उत्तरदायित्व स्वयं पर लेते हुए क्षमा प्रार्थी हूँ। इसी भावना के साथ सेंट जोजफ परिवार की यह अनुपम कृति आपको समर्पित करता हूँ।

The relentless pace of development in the modern world demands a versatile and vigilant education scenario. The roller coaster of change, within and out constantly creates dilemmas. The already victimized youth struggling in the octopus like grip of distraction sinks deeper into the mire of indecisiveness and wrong hasty choices. Hence, the need for an intelligent and comprehensive learning environment.

I am extremely joyous & delighted to be a part of St. Joseph & a witness of its silver jubilee year. In this silver jubilee edition we have tried to compile the memories of our 'Mother Mam' Smt. Pushplata Agarwal who ventured into 1987, dedicated to the cause of education. The journey from 1987 to 2012 was not an easy one & we have done our best to show all our readers the glimpses of these golden years.

The foundation of this institution was laid in the fond memory of the eldest daughter 'Neeru' of Smt. Agarwal, who left us for the heavenly abode in the small age of 16 years. Since then our 'Mother Mam' has never looked back, though the difficulties were many & support was nowhere. Still the strong lady single handedly, has done a lot for the society & has taken the institution to such a height. Even this 'Silver Jubilee Edition' would have remained incomplete without her creative ideas & noble support. I am full of gratitude for all the esteemed dignitaries who were always there at the back & has sent their 'Shubhkamna Sandesh' for the 'Silver Jubilee Edition'.

I am glad that our school is constantly widening its horizons and moving towards new frontiers. I am sure that through our 'Silver Jubilee Edition' we will be able to show the uniqueness of our school very successfully. Improvisations and innovation has always been endeavour. Our Director Mr. Anil Agarwal's creative support has given us an added boost enabling our imagination to soar higher than ever before.

My sincere thanks to all those who made magazine possible.

Wish you all enjoyable and meaningful reading.

Here we inculcate the value among our students that without hard work nothing is achieved. We provide moral values, high quality education & develop cultural bondings in our students.

Our school has completed 25 years & through this silver jubilee edition we are going to make you visualize the glorious 25 years through various snapshots. I express my sincere thanks for the cooperation extended to me by editorial board & ever supporting management.

A special thanks to our beloved & affectionate 'Mother Mam' who provided us all the required pictures to show the journey of 25 years.

With best wishes.

## Moments pass..... Memories remain forever

Dear Readers,

Our sincere efforts never go in vain and faultless completion of small objectives certainly lead us to achieve a remarkable success that proves to be torch bearer to the upcoming.

Efforts & co-operation of every member who has been part of this long journey along with this one year long Silver Jubilee celebration is an un describable feeling to just speak in few lines here. I can only convey my heartfelt gratitude to each and every individual who has contributed in any form for bringing the Smratika in this form.

Our Smratika presents a panorama of its golden history that has built a very strong bridge to achieve the future aspirations of real time visionary the founder chairperson Smt. Pushplata Agarwal and a young and dynamic motivator managing director Mr. Anil Agarwal.

I pay my sincere thanks to everybody for their active support for giving their valuable views.

You will find very educative encouraging challenging & entertaining journey inside that motivates every body who believe in action.

### सन्देश

इस राष्ट्र के भविष्य के कर्णधारों की उत्पत्ति अच्छे विद्यालयों से होती हैं। प्रत्येक शिक्षा मंदिर को अपने विद्यालय में दी जाने वाली शिक्षा के स्तर को इस प्रकार का बनाना होगा ताकि उस विद्यालय से ऐसे छात्रों की उत्पत्ति हो जो सम्पूर्ण मानवजाति का गौरव बन सकें। सही चिन्तन और सही दृष्टिकोण का प्रशिक्षण विद्यालयों में ही होता है तभी किसी छात्र में ऐसे सदगुणों का प्रादुर्भाव होता है जो पूरे विश्व में हिंसा, घणा, भ्रष्टाचार एवं आतंकवाद की समस्याओं पर विराम लगाने को प्रयासरत होते हैं। मैंने अनुभव किया है कि सेंट जोजफ विद्यालय अब तक के अपने कार्यकाल में इन उद्देश्यों की पूर्ति के लिए कार्यरत है।

ऐसे विद्यालय की रजत जयंती के अवसर पर रजत जयंती स्मृतिका के सफल प्रकाशन हेतु अपनी शुभकामनायें अर्पित करता हूँ और इस विद्यालय के प्रबन्धतंत्र, शिक्षक/शिक्षिकाओं और सभी छात्रों को इस अवसर पर अपनी बधाई प्रेषित करता हूँ।

## शुभकामना संदेश

यह प्रसन्नता की बात है कि सेंट जोजफ विद्यालय परिवार अपनी स्थापना के रजत जयन्ती वर्ष में विद्यालय पत्रिका 'स्मृतिका' के रजत जयन्ती अंक का प्रकाशन कर रहा है। इस विद्यालय की प्रगति को मैंने निकट से देखा है। विद्यालय की संस्थापक प्रबन्धक श्रीमती पुष्पलता अग्रवाल एवं निदेशक श्री अनिल अग्रवाल दोनों ही दूरदर्शी हैं और इन्होंने शिक्षा को व्यापक दृष्टिकोण से देखा है। यही कारण है कि विद्यालय ने लगभग प्रत्येक क्षेत्र में उल्लेखनीय प्रगति की है।

किसी भी विद्यालय की पत्रिका उसके स्तर को प्रदर्शित करती है। इसमें मात्र छात्र-छात्राओं की प्रतिभा का ही दर्शन नहीं होता, वरन् प्रबंधन की सोच भी परिलक्षित होती है। यह आत्म-निरीक्षण का भी एक माध्यम होती है। मुझे आशा है कि पत्रिका का रजत जयन्ती अंक इस सभी मानकों को पूरा करेगा।

इस अवसर पर विद्यालय परिवार को मेरी बधाई एवं शुभकामनाएं। मेरी कामना है कि यह विद्यालय शिक्षा के सभी उद्देश्यों को पूर्ण रूप से पूरा करें।

वास्तव में सेन्ट जोज़फ इण्टर कालेज, लखनऊ ने शिक्षा के साथ-साथ अन्य क्षेत्रों में भी समाज को नये प्रतिमान दिये हैं जो प्रेरणादायी हैं। यहाँ के छात्रवृन्द आज दीप्तिमान नक्षत्रों की भाँति सभी ओर अपनी चमक बिखेर रहे हैं जो विद्यालय द्वारा प्रदत्त शिक्षा, संस्कार और उचित दिशा निर्देशन का परिणाम है। इसके लिए मैं कालेज के प्रबन्ध निदेशक श्री अनिल अग्रवाल जी के द्वारा विद्यार्थियों के हित में किये जा रहे प्रयासों के लिए बधाई देता हूँ। विद्यालय सफलता के सोपानो पर निरन्तर चढ़ता रहे और उन्नति के पथ पर सदैव अग्रसित हो।

Silver Jubilee

29 Feb 2012

My Dear Madam,

Please accept our heartiest congratulations on the Silver Jubilee of your institution.

It is indeed a great achievement to set up a chain of high quality educational institutions, but a greater achievement is sustaining the tempo of progress with ever increasing zeal for twentyfive long years.

I, perhaps because of my long Army career, feel especially enthralled by the fact that your students came up as the best performers in the last Republic Day march past, coming above all the participating colleges of the State.

Our association with you reached a land mark when the NAAC Peer Team visiting our college also visited your institution to witness practice teaching sessions of our B.Ed. students and appreciated St. Joseph's quality in all fields.

I am sure under your stewardship and all members of the family especially Shri Anil, the institution will continue to scale higher and higher pinnacles of success in the years to come.

With regards and best wishes to you and your team,

Yours sincerely

## OBITUARY

जो हमारी स्मृतियों में सदा रहेंगे जिनके अतुलनीय सहयोग से आज हम यहाँ पहुँचे हैं।

Late R. K. Saxena

We have suffered a great loss in the demise of our dear Mr. R.K Saxena fondly known as Saxena Sir in the Institute.

He led the Institution as the Patron fondly remembered as a simple, kind and loving person. He attended to the academic and administration needs of the institution with great care and patience. He derived immense pleasure from recalling and sharing his experience. He was a very dedicated professional who earned the respect and admiration of all those around us. He will always rule the heart of each of us for his cheerful disposition and willingness to render help whenever needed. Every year for last 16 years he awarded best teacher and topper of High School in the memory of his wife. We feel privileged, honoured and very glad to have been associated with him for 21 years.

External rest grant into them whose earthly lives are past perpetual light shine down on them.

*May he rest in peace at last.*

## हृदय के उद्गार - संस्थापक चेयरपर्सन

### **Hon'ble Smt. Pushplata Agarwal**

विद्यालय को रजत जयन्ती मनाते हुए मुझे आज अपार हर्ष और गर्व की अनुभूति हो रही है। अपनी प्रिय पुत्री निरूपमा (नीरू) जो कि 16 वर्ष की अल्पायु में हमें छोड़कर परमात्मा में विलीन हो गयी, उसी की स्मृति में नीरू मेमोरियल सोसाइटी गठित की गयी जिसके तत्वावधान में 14 अप्रैल 1987 में सेन्ट जोजफ प्राइमरी स्कूल का नन्हा पौधा रोपित किया, जो पोषित व पल्लवित होकर आज सेन्ट जोजफ इण्टरनेशनल तक एक विशाल वट वृक्ष के रूप में अपनी ज्ञान व संस्कारी छाया से सभी को शीतलता प्रदान कर रहा है। देखते ही देखते आज हमने 25 वर्षों का लम्बा रास्ता सफलतापूर्वक पार कर लिया। 11 लोगों का छोटा परिवार आज लगभग 300 से अधिक कर्मयोगियों का विशाल परिवार बन चुका है। प्रगति की इस यात्रा में विद्यालय अनेक सफलताओं और उपलब्धियों का मूक गवाह बना, न जाने कितने नये आयाम स्थापित हुए, हर सफलता, हर उपलब्धि ने एक नया इतिहास रचा। यह भी एक सुखद संयोग ही है कि आज रजत जयन्ती के स्वर्णिम वर्ष में एक नगीना जड़ते हुए सुशान्त गोल्फ सिटी सुल्तानपुर रोड में विद्यालय की नवीन शाखा की नींव रखी गयी है।

निरन्तर सफलता के सोपनों पर चढ़ते हुए विद्यालय ने आज उन्नति के शिखर को मात्र छुआ ही है। सन् 1994 में विद्यालय को गर्ल्स हाई स्कूल, तत्पश्चात् 1997 में गर्ल्स इण्टर कालेज, की मान्यता प्राप्त हुई और इसे क्षेत्र का प्रथम कन्या इण्टर कालेज बनने का गौरव प्राप्त हुआ। अभिभावकों, छात्रों व क्षेत्रीय निवासियों के अनुरोध पर सन् 2002 में बालकों हेतु भी हाई स्कूल की मान्यता ली गयी। प्रतियोगिता पूर्ण वातावरण से सामंजस्य हेतु तथा उच्च शैक्षिक वातावरण हेतु सन् 2004 में विद्यालय को आई.सी.एस.ई. नयी दिल्ली की भी मान्यता प्राप्त हुई तो वहीं उत्तर प्रदेश माध्यमिक शिक्षा परिषद द्वारा 2005 में बालकों हेतु इण्टर की भी मान्यता प्राप्त हुई। इसी समय 2004 में विद्यालय की उपलब्धियों में एक स्वर्णिम अध्याय ठाकुर गंज शाखा के रूप में और जुड़ गया। जिसका उद्घाटन माननीय श्री अखिलेश यादव जी ने किया था यह हमारे लिये बहुत ही गौरव की बात है कि वे आज उ.प्र. के मुख्यमंत्री के पद को सुशोभित कर रहे हैं।

आरम्भ ही से अपने उत्कृष्ट शत-प्रतिशत बोर्ड परीक्षा परिणाम हेतु शिक्षा विभाग द्वारा विद्यालय को गौरवपूर्ण 'ए' श्रेणी द्वारा सम्मानित किया जाता रहा है जो आज तक जारी है। इसके अतिरिक्त समय-समय पर होने वाली विभिन्न शैक्षणिक क्रिया-कलापों में चाहे वह पढ़ाई से सम्बन्धित हो या खेलकूद से सांस्कृतिक अथवा अन्य क्षेत्र, स्तर चाहे जनपदीय, मण्डल, राज्य या राष्ट्रीय हो यहां की प्रतिभाओं ने सदैव अपने उत्कृष्ट प्रदर्शन से सभी को चमत्कृत किया है। सभी की गिनती तो संभव नहीं है, ताजा उदाहरण सामने है। हाल ही में नयी दिल्ली में सम्पन्न हुए नेशनल साइंस फेयर-2011 में विद्यालय के दो होनहारों ने अपने मॉडल के साथ प्रतिभाग किया, जिसमें एक को द्वितीय स्थान मिला तथा उसके मॉडल को साउथ कोरिया में अन्तर्राष्ट्रीय स्तर पर प्रतिभाग करने हेतु चुना गया। खेलकूद में विभिन्न खेलों में यहाँ के खिलाड़ियों ने अन्तर्राष्ट्रीय स्तर तक अपनी धाक जमा कर विद्यालय का नाम अन्तर्राष्ट्रीय स्तर पर चमकाया है। जनपद में होने वाले किसी भी स्तर के क्रिया कलापों में सेन्ट जोजफ की उपस्थिति अनिवार्य है और वहाँ अपनी छाप छोड़कर विजयी होना यहाँ के बच्चों की विशेषता है। आंचलिक विज्ञान केन्द्र, जी0पी0ओ0 लखनऊ महोत्सव, हिन्दी साहित्य सम्मेलन, सी0के0 नायडू टाइम्स ऑफ इण्डिया क्रिकेट, साइकिल मैराथन, और न जाने कितने नाम हैं, जहाँ प्रतिवर्ष यहाँ के छात्र/छात्रायें अपना परचम लहराते हैं। गणतंत्र दिवस परेड जो जनपद का प्रतिष्ठित कार्यक्रम हैं, जहाँ चुने हुए स्कूल कालेज प्रतिभाग करते हैं, वहाँ मार्चपास्ट में गत वर्ष तक विद्यालय को 7 बार प्रथम स्थान, 6 बार द्वितीय तथा एक बार तृतीय स्थान प्राप्त हुआ है जो वास्तव में गर्व की बात है। और भी हर्ष की बात है कि वर्ष 2012 में गणतंत्र दिवस परेड में शहर के चुनिंदा प्रतिष्ठित विद्यालयों के मध्य सेन्ट जोजफ के मार्च-पास्ट को वेस्ट स्कूल परेड का पुरस्कार प्राप्त हुआ जो विद्यालय की बहुमुखी श्रेष्ठता का प्रमाण है। विद्यालय में आयोजित विभिन्न समारोहों के अवसर पर अनेक महान एवं ख्यातिलब्ध प्रतिष्ठित विभूतियों का आगमन हुआ। महामहिम राज्यपाल श्री वी0 सत्यनारायण रेड्डी, स्मृतिशेष महामहिम विष्णुकान्त शास्त्री जी, मुख्यमंत्री राम प्रकाश गुप्ता सहित अनेकों अनेक सम्माननीय प्रसिद्ध व्यक्तियों ने विद्यालय में पधार कर विद्यालय को गौरवान्वित किया है, जो राजाजीपुरम क्षेत्र के लिये भी गर्व का विषय है।

विद्यालय का उद्देश्य मात्र शिक्षा प्रदान करना ही नहीं है बल्कि शिक्षा के साथ-साथ उनमें उच्च मानवीय गुणों के साथ नैतिकता, चरित्रता तथा संस्कारों का पूर्ण विकास करना है ताकि परिवार को सभ्य कुलीन संस्कारी पुत्र या पुत्री, समाज व देश को मात्र शिक्षित ही नहीं बल्कि सुयोग्य नागरिक प्राप्त हो जो सही मायनों में आदर्श राष्ट्र निर्माण में अपनी महती भूमिका अदा कर सके। इसके लिये विद्यालय "परिवार भावना की फिलॉसफी पर जोर देता है। यहाँ शिक्षक व विद्यार्थी के मध्य परिवार भावना का सम्बन्ध है जो विद्यार्थियों के सर्वांगीण विकास के लिये एक उत्प्रेरक का कार्य करता है। विद्यालय की समय सारिणी में योग व ध्यान को स्थान देना उनकी एकाग्रता को बढ़ाता है। वहीं खेलकूद के लिये सुसज्जित उपकरणों सहित खेल के विशाल मैदान, स्वच्छ विशाल हवादार पूर्ण प्रकाशयुक्त कक्षायें उनमें पढ़ाई का उपयुक्त वातावरण प्रदान करते हैं। साथ ही भविष्य हेतु सही मार्गदर्शन के लिये समय-समय पर विषय विशेषज्ञों द्वारा सेमिनार तथा वर्कशाप विद्यार्थियों को अपनी योग्यतानुसार लक्ष्य चुनने में मददगार साबित होते हैं, यही वजह है कि यहाँ के विद्यार्थी जीवन के हर क्षेत्र में सफल हैं तथा अपनी योग्यता की चमक चारों तरफ फैलाकर अपना व विद्यालय का नाम रोशन कर रहे हैं।

सेन्ट जोजफ माण्टेसरी से सेन्ट जोजफ इंटरनेशनल तक का सफर संघर्षों और कठिनाइयों से परिपूर्ण रहा है। आज भले ही देखने में सबकुछ आसान लगता हो परन्तु इसके अतीत में सहयोग है विद्यालय परिवार के कर्मठ, कर्मयोगी सदस्यों की कर्मप्रदान भावना तथा संस्था के प्रति समर्पण भाव का। यह विद्यालय का सौभाग्य है कि परिवार का प्रत्येक सदस्य अपने कर्तव्यों के प्रति जागरूक है तथा उनका निर्वहन पूरी ईमानदारी व सत्यता से करता है, विद्यालय परिवार के प्रत्येक सदस्य का अविस्मरणीय योगदान है। विद्यालय के संरक्षक स्मृतिशेष श्री आर०के० सक्सेना के महान योगदान को कभी भुलाया नहीं जा सकता है। विद्यालय के वरिष्ठतम सदस्य श्री एस०एस० सक्सेना का सहयोग एवं मार्गदर्शन अनुकरणीय है।

विद्यालय की विभिन्न शाखाओं का संचालन हमारे तीनों प्रबन्ध निदेशक **श्री अनिल अग्रवाल**, **श्रीमती अनुपम चौधरी** एवं **श्रीमती सीमा अग्रवाल** पूर्ण कुशलता से कर रहे हैं।

उन्नति एवं सफलता की इस यात्रा में समस्त अभिभावकों एवं बच्चों का पूर्ण सहयोग रहा जिनके बिना आज इस मुकाम पर पहुँचना संभव नहीं था। इस अवसर पर मैं उन सभी सहयोगियों, शुभचिंतकों, विद्यालय प्रबन्धन एवं नीरू मेमोरियल समिति के सदस्यों का हार्दिक आभार व्यक्त करती हूँ जिन्होंने हरपल हमें मार्गदर्शन एवं सहयोग दिया है। बहुत-बहुत आभारी हूँ **स्व० श्री रणजीत सिंह सिकरोरिया** एवं **श्री अशोक कुमार गुप्ता जी** की जिनके अतुलनीय सहयोग से ही विद्यालय की स्थापना सम्भव हुई और अन्त में उस परमपिता परमात्मा के प्रति कृतज्ञता व्यक्त करती हूँ। जिनकी अपार कृपा से ही इस गुरुतर कार्य को करने की प्रेरणा एवं शक्ति मिली। अपने कर्तव्य का निर्वहन पूर्ण निष्ठा से करने में आप सभी का सहयोग सदैव अपेक्षित है।

*"Child is the father of man"* William Words Worth said, So I always agree to that. Endless times they have taught me complicated things in their small queries expecting answers from me when there were none. Aren't we all always looking for answers for that questions, while probably these are none or perhaps beyond our comprehension?

For me teaching has always been a learning process and I expect that for all our students life always remains a learning process. Where there is learning, there is life. Without the quench for knowledge one will be dead. Herce keep growing keep learning. Every Student has been an integral part of our institution and each one is a part of saga of success in our school's history.

The students who were, who are and who will be in future for all of them I have just one message "Believe in yourself, try hard for your dreams but don't leave your values behind, because that is one thing which will be with you when there is nothing left and they will be your torch bearer through out your life."

To our dedicated teaching staff all the praises and well wishes for their unending efforts, specially to those who have been our inevitable part of our system in this long journey. For the new generation of teachers just one suggestion "Believe in the strengths of your students, you are the one, they are looking up to for answers so do not let them down. Be ready to answer their endless quarries, let them question because an inquisitive mind is a developing mind. So when they grow up, always remember you with love, dignity and respect when they talk of you to their own children.

### OUR PHILOSOPHY

JOSEPH we create foundation for the best education leading to the best careers and ultimately a better life by ensuring high quality teaching learning process and providing excellent resources to our students. We believe in providing a supportive and stimulating environment. Well equipped with modern class rooms, libraries. Multi-media rooms and highly experienced teaching staff is always to guide the young learners and to make teaching an unforgettable experience where Interpersonal, Intra-personal and kinesthetic skills are developed during entire learning process. At Pre-Primary and primary level the learning is activity based where as at Junior and Senior level it is technology based while concentrating on all-round development of the students through sports , craft, drawings, dramatics and many other such fields. We are proud to have built up a leading reputation in the education sector which is the strong pillar of any nation. Over the years our growth rate has been visible to all but our best testimonials are our alumni who continue to build solid careers for themselves in this competitive world.

"The sky is the limit because human potential is infinite," that has been my motto and my Guru mantra too, to all the learners who want to achieve success and glory in their lives while keeping their heads high and beaming their faces with happiness.

## From the Desk of Managing Director

Selecting a school for your children is one of the most important choices you will make. To ensure that they are cared for, challenged, and assisted throughout their journey through school is a vital concern for any parent. It is with great pleasure that I welcome you to the St. Joseph Inter College. Founded by Mrs. Pushplata Agarwal in 1987, School provides a challenging academic program in English for students aged 3-18. Our highly qualified teachers deliver challenging courses, while also providing plenty of support to help students flourish as caring, confident, and culturally sensitive individuals. Our well-equipped facility and our academic program are enriched by after-school activities, which give our students opportunities to stretch their minds and their bodies. The St. Joseph Inter College is a very happy, child-centered place, where we all strive to model the behaviours we would like to see in the world. It is, indeed, a place where we belong.

**Seema Agarwal**

We set ourselves a tough task. We set ourselves a mission of providing education with ample opportunities; opportunities to ask. In that opportunity to ask, we get an opportunity to nourish and nurture individuals, who are strong, who embody self-reliance, and who will turn out to be what our vision statement advocates. Creating global citizens, committed to humanistic values, and democratic traditions. School management has successfully driven a culture that looks towards the quality, and not the quantity of education. Equal opportunity, for all children to excel in their own ways, will be the hallmark of teaching-learning process. We will see that each child must have unending achievements and accomplishments. Education is an un-ending and on going process. One has to keep the mind within humanity to learn. Let us therefore, remember that:

**“To get together in the beginning;  
To stay together in progress;  
To work together in success”**

## From the Desk of Managing Director

### *My Message To Young Learners*

I believe that the most powerful asset a man has is his 'MIND'. The answer to the question "what is a realistic goal and what is achievable" is entirely up to you. If your mind can accept that something is achievable, it will find a way to attain that thing. "Whatever the mind of man can conceive and believe, it can achieve". These are the immortal words of Napoleon Hill, a man who truly understood that "there are no limitations to mind except those we acknowledge."

Your possibilities are only limited by your thinking. What may be a limit for one person is a walk in the park for another. ***It's all in the mindset.*** You have within you the ability to become and to achieve anything you want. Secondly you must have the ability to take decisions promptly. Decision taking skill is the one which enables you to do the routine things in a different manner, without this ability you'll not be able to make your position in this competition stricken world. Most of us make excuses to defend our conduct and live with the wrong notion that making excuses is some thing that everybody does. Over the years we have cultivated the art of making excuses with creature ways to avoid doing something that needs to be done. We need to learn to eliminate the bad habit of making excuses and take responsibility of everything in our lives. Taking decisions quickly, we are showing a willingness to develop our character and in doing so, the stronger our character will become and as a consequence the quality of our life will be enhanced. Don't let excuses hold us back from developing our full potential. When the door is closed, why don't we look through the open windows? Stop making excuses, take quick and speedy decisions and dare to be what you want to be!

*Believe it that "Only one who can see the invisible can do the IMPOSSIBLE."*

संस्कृति मानव जीवन को सुसंस्कृत बनाने की अनमोल विद्या है। यही मानव के सामाजिक व्यवहारों को निश्चित करती है, यही मन को कुंठाओं और कुविचारों से बचाए रखकर जीवन को जीने योग्य बनाती है और यही बौद्धिक प्रखरता से लेकर आत्मिक विकास तक समग्र जीवन के उत्थान का मार्ग प्रशस्त करती है। नई पीढ़ी में यह समग्र विकसित हो, छात्र-छात्राओं में ज्ञान के साथ-साथ गुणों के प्रति आकर्षण और आत्मोत्थान के लिए ललक पैदा हो, उनका जीवन मानव मूल्यों के सँघे में ढले, वे जीवन के हर मोड़ पर सफल हों, इसके लिए शिक्षा में संस्कृति के समावेश की आज महती आवश्यकता है।

## From the Sr. Principal's Desk

To express my views about St. Joseph Inter College Rajajipuram, of which I am an active part, working there as a principal is certainly a matter of pride for me. This institute has achieved success at every step since it was established in 1987. This year in 2012, the college is celebrating its Silver Jubilee year and it is termed as a renowned college among the other leading institutions of the city.

This happened only with the joined efforts of our talented and dedicated staff members and prompt guidance of our Founder Manager Ma'am Smt. Pushplata Agarwal who single handedly worked from the very beginning. I appreciate and thank the enthusiastic lady for her every effort done in favour of the college. The institute always try to maintain high standards for achieving excellence by providing proper education, perfect guidance and concentrating on overall development of our students. As a result of which the college has been rated very high for 100 % board result since last 15 years. Our students are developed in a manner that they not only prove themselves in the field of education but also become impartial, honest and disciplined in their real life.

At last once again I express my vote of thanks to those who joined their hands together for the progress of the college by any means. May the almighty shower his blessings upon St. Joseph forever.

## From the Principal's Desk

In the words of Aristotle, "excellence is an art won by training and habituation. Excellence, then, is not an act, but a habit". At St. Joseph Montessori / Inter College we believe in providing such excellence to your child that would inculcate a keen yearning to develop into an instrument of social progress and reform. That completion of Twenty Five years is indeed a major milestone in the life of an educational institution.

St. Joseph Montessori / Inter College, since its foundation in 1987 has earned very considerable appreciation for providing value based education and for imparting the ideals of an academic excellence, sense of discipline and high moral and ethical values, leading to the development of an integrated personality.

We at St. Joseph Montessori / Inter College believe that a child is like a bud and need to be nurtured carefully so that he or she can blossom to his/her fullest potential. Each child is a gifted in a particular way and we focus on helping each child to discover his/her own special talent and gift. Over the years in this school, I have witnessed in our students an unparalleled knowledge base, a vibrant dynamism, an acute consciousness about the world around them, a focused ambition and a sustained commitment.

I greet all the pioneers who have contributed in establishing and growing this school to its present state.

## From the Principal's Desk

"Accept challenges, so that you may feel the exhilaration of victory". A school has a purpose to fulfill in the life of all the students who be the part of the school. It creates an impact in the life of the students that has to be positive and long lasting. It is not a child's play to establish a good school but St. Joseph takes pride in making the school a perfect place of learning which caters to all needs of a child.

Our school has always maintained a judicious balance between academic and co-curricular activities. It is such a blend where work shares it bonding with fun and dedication. Such an out come is extracted because of the confident and strong team my staff behind the effort, who work tirelessly to carry the name and pride of the school towards heights of success.

I also take the opportunity to thank our founder, Manager, Mam and members of managing committee for their constant guidance and support acts as the back-bone of our institution.

The school management constantly supports to use new interactive methods and techniques to acquire the academic as well as all round progress of the school.

I pray to God to give me strength to shoulder the responsibility of shaping the character and future of all the children so that they set high standards for themselves in every field.

## From the Principal's Desk

ST.JPSEPH INTER COLLEGE is the brightest star among the other institutions. It was started with the mission to create a new mindset through education. It was started by very dynamic lady with a very broad vision "Mrs. Pushplata Agarwal". She nurtured the philosophy of providing the students a holistic learning experience with emphasis on high academic social standards promoting healthy life style. Influenced greatly by the positive and optimistic approach towards her vision her every effort is a promise of success. With the dedicated team of principals and staff members she is bent upon to chisel out a fleet of glorious youth brigade she agrees with Doctor Haim Jinott's views that children are like wet cement. Whatever falls on them make impression. By providing meaningful education, spiritual direction and guidance St. Joseph has groomed many students to adapt themselves according to the demand of the generation. Josephians' have brought many laurels to the city and created epoch in many fields.

Today St. Joseph is marked amongst the few top notch schools of the city and is on the way to create a milestone with its numerous activities organized to broaden the outlook of the children. Like every year this year also the students have brought laurels to the school by winning the trophy of the Republic day parade. We at St. Joseph belief that a reasonable degree of excellence in at least one productive skill through which individual can experience the truth that work is worship.

## School Report

St. Joseph Montessori School has certainly been a source of pride for me to study. The journey in St. Joseph has been a cherishing one for me. The school has completed 25 years of quality education this year and has continued to serve the society by the means of imparting quality education. The well experienced and laborious teachers and staff of our school have always been a source of inspiration for the students. They have been co-operative in every turn of the student's phase of life. The school has also provided various opportunities for the enhancement of the student's personality in the extra co-curricular phase as well. The active participation of the school in the various events like cheering for Team India in the Cricket World Cup, supporting Anna Hazare by the means of organizing seminars and launching rallies etc. has been a memory to cherish forever. The school has touched the heights of success in the past decade because of its academic excellence various high class achievements which were obtained by the support of our Founder Manager Ma'am Smt. Pushplata Agarwal and our Director Mr. Anil Agarwal.

## School Report

St. Joseph Inter College a place, which is truly an institute of moral values, high quality education, culture and sophisticated ambience. Indeed my school is a 'TOPAZ' that shimmers and the surroundings glitter with its gleam. I am proud to be an important part of this institution which guarantees the students their success and bright future. It is my privilege that I am the head girl of this reputed school, and feel fortunate that I got the opportunity to serve this noble institution and I am sure that my school will definitely vouchsafe me its great thoughts and principles. Journeying on the plateau of thoughts and actions, St. Joseph Inter College has managed to blend the strengths of the past with the promises of the future.

**Ayushi Agarwal**  
Head Girl (Thakurganj)

'Discipline and Regularity' are the vital aspects of the school. The unique feature of the college is that, it has sanctified the aura with its morality and nobility. Enthusiasm, efforts, potential and perfection, the session had it all. The entire episode was saturated with blooming bliss and copious joy. Students come up with flying colours and revealed their potential in a variety of competitions and so do I. "Playing well is more important than winning".

To conclude I would like to thank the whole St. Joseph family for its remarkable support with this note...

A rich man bursts into laughter and said,  
"Money is life".

A poor man shivering with cold said, "Life is  
struggle".

In spring a bird sitting on a tree said, "Life is like  
a blooming flower".

A soldier standing in a battlefield with a gun  
said, "Life is a battle field".

A sparrow flying freely in the sky twittered and  
said, "Freedom is Life".

## Miracles of Meditation

Meditation is an ancient art.  
Provides inner self a new start.  
A source of peace and power.  
In divine garden, blooms each flower.  
Besets inner potential each hour.  
Gifts virtue in constant shower.  
Begets contentment, love and bliss.  
Conquers each turmoil and crisis  
With drams from wordily pleasures.  
And frees from all pressures.  
Relaxes muscles, remove strains.  
Empowered soul gets rid of pain.  
Ennobles life, fills with inspiration.  
Makes victorious in each life situation.  
Frees you from all old inclination  
No need for excuse and machination.  
Find time for it, daily my dear  
If you wish to be calm and clear  
Generate reservoir of contentment  
And find pastures of refreshment  
Change all vicious style of life  
Free the self from sin and strife.  
Allow yourself more free space  
Unrighteousness not even a trace  
Be brave, smart and decisive  
Actions worth emulating, conducive.  
Break all shackles, limits and bondage  
Good will for all, civilized or savage  
Open new avenues of virtue and love  
Inner enrichment, sanctity and glow  
Pick up virtues from every soul  
Certainly you'll attain life's goal

## A Lesson in Life

Everything happens for a reason. Nothing happens by chance or means of good or bad luck. Illness, injury, love and sheer stupidity all occurs to test the soul of our heart.

If someone loves us, love them back unconditionally. Not only because they love you but they are teaching you to open your heart to someone whom you never felt without them.

If someone breaks our heart we should not feel bad because they taught us whom should we not. So best of luck for your future because these conditions will come in our life and we have to face them.

Failure doesn't mean you don't have it, it means you have to do something in a different way. Failure doesn't mean you are inferior, it means you are not perfect. ## Love your Motherland

We, the people of India are patriotic in real sense. It is natural for men to love their motherland. Everyone love his motherland. A poet has expressed the feelings in the following words.

This is the feelings of patriotism that compels men to make great sacrifices. Our country was not free and was ruled by foreigners. For the Liberation of the country people sacrificed their lives. Now today, there are great challenges before our nation. We must defend our freedom with full might. We must sacrifice our selfish and trivial needs in the interest of the nation.

Patriotism does not mean that we should always think of our nation and motherland by singing various patriotic songs etc. there are various events, occasions and situations where we all get together. Whenever there is a war or any other destruction or disaster in the country we maintain harmony inspite of various odds. We have fought great wars in the past. In the beginning we fought for freedom, and now we fight for protecting our border. There have been wars against China, Pakistan and the last was Kargil to fish out terrorists from Kashmir Hills. In this fast changing scenario, it is the feelings of patriotism alone which could guide our country to become developed. We have many problems before as like terrorism, unemployment, poverty, illiteracy, and malnutrition. We can tackle these problems when we think along the lines of the benefits of our country and sacrifice our selfish attitudes. For example Japan was completely destroyed in the second world war. Its economy was shattered and the crisis prevailed in the country but after the war the people resolved to take from steps to make their country a world power. Today Japan is one of the super powers of the world and no country can match its technology and ideas. It is patriotism which helped the country to prosper. We should also emulate the example of Japan and try to solve various problems facing our country. We have a huge population which can be utilised in a positive way. Each and every citizen should be made to realize his capabilities and worth.

## Yes You Can!

If you can't feed a billion people, then just feed one.

If you can't hire twenty million unemployed, then hire just one.

If you can't cure disease, then visit one person in the hospital, one smile provides healing.

If you can't save the world, then improve you community and if you can't improve your community, then help your next door neighbour. We can't save the world, but we can save those within hugging distance. Don't give up. Don't become overwhelmed. Charity begins with just you and just me. If everyone on the earth felt this way, what kind of planet would it be?

"Do not be as named to give out small charity, as something is better than nothing".

## So fast the seconds fly

Sixty seconds make a minute,  
So I have often heard them say,  
What you have got to do begin it,  
Or it'll not, be done today,  
For so fast the seconds fly  
You can't catch one - nor can I,  
Sixty minutes make an hour,  
You have heard your teachers tell,  
while you have the strength and power,  
Do you work and do it well,  
Or at night you'll have to say,  
I have done nothing all the day.

## Dedicated to my teacher the half truth of life I know.....

You asked me, "Help all".

Never told me, nobody else would help me

You asked me to trust my friends,

Never told me, to trust will be broken.

You asked me to be kind and humble,

Never told me, people might take it as my weakness.

You asked me to do my best,

Never told me, I will still be criticized.

You asked me to be bold,

Never told me, people don't accept leaders.

You asked me to be good,

Never told me, no one else will be.

You asked me to be strong,

Never told me the extent of courage required

You asked me to spread peace

Never told me, what I should do when people find,

innumerable reasons to fight.

You said all nations are to be loved

Never told me, some breed terrorism.

You said, "Truth Always Wins"

Never told me, "Always" in doubtful

But still I'll do what you asked me to

Because, I know

One day I have to change this world.

## Tiger, The Royal Bit Cat

Tigers belong to the biological family of cats. In fact, tigers are the largest of big cats. The tiger subspecies found in India is known as the Bengal tiger or the Indian tiger.

Tigers are beautiful big cats with powerful jaws and teeth that can crush its prey's backbone yet, be gentle enough to carry its new born!

Most tigers have over 100 stripes yet, no two tigers have the same pattern of stripes.

In a jungle, one organism depends on another for survival.

But no animal preys upon the tiger that's why it's known as a top predator.

There are eight subspecies of tiger. Thousands of tigers lived in our country, but by 2008 there were just a few hundred left. A magnificent animal, the tiger is the national animal of India.

## Feelings From the heart of Eight years old .....

This is my first day to write the diary.  
I will write my stories in poems and secrets in it.  
"One in all"

One in all is my dream it is as soft as cream  
One in all is my only chance,  
When I get I'm sure will dance  
One in all is my dear name  
I'm pretty sure it will bring me fame  
One in all is my diary like rough copy  
Will it let me use a computer floppy  
One in all is my habit to recycle  
One day everyone will ride a bicycle  
One in all is my neither good  
nor bad fate  
Sometimes I have to do things I hate  
One in all is my love  
also count in amphibian and mammals  
One in all is my precious time

But I found it to write my little rhyme.

Confidence is generally described as a state of being certain either that a hypothesis or production is correct or that a chosen course of action is the best or more effective.

Self confidence is having confidence in one self. Arrogance in this comparison is having unmerited confidence believing something or someone is capable when they are not. confidence can be a self-fulfilling prophecy as those without it may fail or not try because they lack it and those with it may succeed because they have it rather than because of an innate ability. ## Steps to Happiness

Everybody knows:

You can't be all things to all people.

You can't do all things at once.

You can't do all things equally well.

You can't do all things better than everyone else.

your humanity is showing just like everyone else's.

So:

You have to find out who you are, and be that.

You have to decide what comes first, and do that.

You have to discover your strengths, and use them.

You have to learn not to compete with others, Because no one else is in the contest of \*being you\*.

Then:

You will have learned to accept your own uniqueness.

You will have learned to set priorities and make decisions.

You will have learned to live with your limitations.

You will have learned to give yourself the respect that is due.

And you'll be a most vital mortal.

Dare to believe:

That you are a wonderful, unique person.

That you are a once-in-all-history event.

That it's more than a right, it's your duty, to be who you are.

That life is not a problem to solve, but a gift to cherish.

And you'll be able to stay one up on what used to get you down.

## Har Student Ki Kahani

Exams are compulsory in our life because they are "Kasauti Zindgi Ki". A teacher may oppose this "Kyunki Teacher Bhi Kabhi Student Thi". There is nothing to worry about these exams because they are "Kahani School School Ki". These exams should be banned from our "Kundali" Yet after these arguments the questions remain in the mind "Kyun Hota Hai Exams", well no one has an answer but I want to give you a suggestion. Try and try, until you succeed. After all "Koshish-Ek Asha". The positive point of exams is that they are able to determine that "Kisme Kitna Hai Dum". Everyone while sitting in the examination hall prays that "Koi Apna Sa" will help but when we seek the help of "Apna Sa Person", "Ssssh....Koi Hai" so we get a "Khauff" of getting "Kashmakash". All these things should be managed by us without seeing "Sonpari or Shaktiman" because in doing so we will be building up a "Mahal Ho Sapno Ka" but we shouldn't do "Yatra in Dreams" & always believe in "Hakeekat". I will not do further "Tu Tu Main Main" on this topic.....

Milao....."  
but for Shivam study is a delight, What on earth  
is mystery of finances?

Giggling notoriously is Sameer's right, While is  
amarjeet noless with his diminishing height,  
with 'Khurafat' in his eyes,  
Qazi is there to make the class pass time.  
The jesters of the class are Rahul and Mayur,  
Simple and straight forward, Ashwani is a silent  
one, Always telling us to 'Do your Work', Rehan  
always has some problem. And Shivdutt has a

DEATH/ The servant of a rich man went to the market and returned, terrified, "I saw death in the market. It was staring at me I am afraid. I would like to go back to my village far off from here and keep away from death. Kindly give me your best horse so that I could reach my village before sunset." The servant said in a single breath.

The rich man agreed and gave him a horse. Then he himself went to the market and saw Death.

"Why did you scare my servant?" asked the rich man.

I didn't scare him. I was myself surprised to see him here in his town.

I was supposed to have an appointment with him this evening at his village which is quiet far from here." replied Death.

Be thankful for the difficult times. During those times you grow.

Be thankful for each new challenge, because it will build your strength and character.

Be thankful for your mistakes. They will teach you valuable lessons.

## Surely It's a Girl World

If a girl does not marry, she is spinster.  
If a boy does not marry, he is bachelor.  
If girl laughs, she is jolly.  
If a boy laughs, he is manner less.  
If a girl talks too much, she is witty.  
If a boy talks too much, he is chatterbox.  
if a girl like silence, she is serious.  
If a boy like silence, he is dull.  
If a girl wears conspicuous dress, it is fashion.  
If a boy wears it, he is joke.

## Ability

Ability is to look at a blank page,  
And create a poem.  
Ability is to store into the eyes of fear,  
And come out stronger because of it.  
Ability is to walk into a room of strangers,  
And come out with friends.  
Ability is to admit you're wrong,  
When you are wrong.  
Ability is to get up,  
When you fall down.  
Ability is to believe  
When everything seems lost.  
Ability is a simple word  
With a complex meaning.  
For many ability is not found  
But for all ability is within  
Ability is within  
Ability is yours.

## A Rebirth to Nature

Our land is in trouble it needs your help,  
So are the oceans, the coral, needs help.  
There must be a way for all to unite,  
To stop the earth from a disastrous fright.  
We can't leave this world a barren wasteland,  
But luscious and fertile, or many creatures as  
there are sand.  
We're destroying our jungles, our forests our  
beaches,  
Taking away what is the earth's like billions of  
leaches.  
Few natural habitats are left on the globe,  
All are scattered like the beats of a stroke.  
We welcome you to an endangered land,  
To show you how animals dwindle like an hour  
glass's sand.  
Only you can help to save our earth,  
And hopefully, with care give it a rebirth.

## Five Lessons to Learn from a Pen

It tells you that everything you do will  
always leave a mark.

You can always correct the mistake you  
make.

The important thing in life is what you  
are from inside and not from out side.

In life you will undergo painful  
sharpening which will make you better in  
whatever you do.

Finally, to be the best you can be, you  
must allow yourself to be held and guided by  
the hand that holds you.

## Save Miss World

She is not Aishwarya Rai or Yukta Mukhi,

Her hair is the black cloud that brings the rain,  
Her loving eyes are the deep blue sea,  
Her dress is green with Red roses as laces,  
her dress is green with Red roses as laces,  
Her veil is as white and soft as snow.  
Her shoes are as golden as a ray of light,  
But now the black cloud is filled with smoke,  
The eyes are turning black with oil slick,  
The dress is turning grey as deserts.  
The veil is smothered with smog,  
The shoes are torn and muddy due to holes,  
The brow is filled with worry and horror,  
Come on, let us save our only Miss World.

## My Class XII - A1

Life is a jigsaw puzzle, And school is its central piece,  
These days are to be cherished for they are like a wonderful treat.

So cheers for my class, And for every lad and lass.

Ibne and Aman for the notorious bass, while Saima, Sonali and Abhijeet are the brains of our class.

Ankita is very sweet, always there to help whenever you "need".

Gaurav and Anuj are the one's who can bring, a smile on everyone's face.

Stuti is not just one positive factor, she is a wonderful dancer and a perfect singer.

Umaira is not just good looking, but she is very hardworking.

Priya, kriti, Tulika and Anjali the fantastic four are forever together.

Akshita and Avantika's sprightly behavior adds to this class a spicy flavour.

Ashitosh seems to be a bit lazy for he is late to the class almost daily.

Ravi and Aditya look really innocent, but the fact isn't true for even one percent.

Abhishek, Amaan, Avinash and Amit, Rishab, Chandradeep, Nischal and Suraj together they bring to our class honors.

Aarish and Ranjeet always aims high, while Pragati and Oshi constantly try.

Shivam, Abhilash, Ahmad & Azim are not least, 'cool dudes' are labelled on their wrist.

Ankit, Akaib, Arkesh and Bibash, Binod, Harsh, Taufeeq and Umesh they are not seen soon, they are like once in a blue moon.

yes, they are all members of class XII - A1

Mrs. Neelu gupta, the class teacher is very co-operative, without whom the class would be incomplete.

## Nostalgia to the Brain

My Journey in St. Joseph

An ocean of nostalgia floods over me as I sit to pen this chronicle.

Penning down my thought, I realize what St. Joseph has given me... only given and never stood to take. I still remember, entering the gates with joy and excitement and here I stand ready to leave, preparing to go to another world yet a stranger to me.

The journey has been a magnificent one evolving me from a new comer to a confident person to face the tough world with the experiences that I have gained here. This school has touched my life and its many facets.

Be it my principal Mrs. Leena Sharma (whose unfathomed faith motivated me), all my teachers who constantly believed in my abilities and was more than just an advisor or teacher for me. Who were unique in one way or another, have created impression on the walls of my heart.

This is the place where I have actually learnt the true meaning of friendship, which some in a bitter unexpected way and some with whom I can never forget the time spent.

This place has not only given me all this but the identity of a St. Josephian which will always be close to my heart.

One fine day when I will sit and think of all what this school has given to me, I will yearn for yesterday once more.....

I am now a mixed bag of feelings, sad and happy But these memories will always, remain my most cherished treasure.

## God & The Child

Once upon a time there was a child ready to be born. One day, the child asked god, "They tell me you are going to send me to earth tomorrow but now am I going to live there being so small & helpless!"

God replied, "Among the many Angels, I have chosen someone for you. She will be waiting for you and will take care of you."

"But", said the child, "Here in Heaven, I don't do anything but sing and smile. That's what I need to be happy."

God said, "your angel will sing for you everyday. And you will feel your angel's love and be happy."

"and", said the child, "How am I going to be able to understand, when people talk about that to me, if I don't know the language that men talk?"

"That's easy," said god, "your angel will tell you the most beautiful and sweet words you will ever hear and with much patience and care, your angel will teach you how to speak".

The child looked up at god saying, "and what am I going to do when I want to talk to you"?

God smiled at the child saying, "your angel will place your hands together and will teach you how to pray".

The child said, "I have heard that on earth there are bad men. who will protect me?" God put his arm around the child saying, "your angel will defend you ever if it means risking life", the child looked sad saying, "But I will always be sad because I will not see you anymore".

God hugged the child, "your angel will always talk to you about me and will teach you the way to come back to me, even though & will always be next to you. "If the moment there was much peace in heaven, but voices from earth could already be heard. The child in a hurry asked softly, "Oh God! If I am about to leave now, please tell me my angel's name!"

God replied "your angel's name is of no importance .....

You will simply call her Mummy".

I quit my thoughts to get you back but still  
I miss your soft hands that, Always gave me support.

I miss your voice that gave me solace.

I miss your love that gave me bliss.

I miss your docile presence but----

I crave my desire to see you again.

For you are far in heaven but still.

I remember your godly words.

I remember your brown eyes in which.

I found myself near you.

I remember your pink lips that.

moved for my good but.....

I abdicate my yearn to hug you once more

## कविता "छोटा होना बहुत बुरा है"

मेया कहता मुझको पिन्ना,  
दीदी कहती मुझको छिन्ना।

साथी मुझे बनाते घोड़ा,  
और लगाते फसकर कोड़ा।  
कहते कितना मरियल, अडियल,  
सरपट चलता नहीं निगोड़ा।  
गोलू, भोलू सवा पीठ पर,  
करते रहते तां-ता छिन्ना।

मुझको कहते सभी अगाड़ी,  
खुद को माने मंजा खिलाड़ी।  
खतरे से हो जहाँ खेलना,  
कर देते है मुझे अगाड़ी।  
ढोल बजाता डम-डम-डम-डम,  
टमकी बोले-तड़-तड़ दिन्ना।

मेरा सपना सच होगा।

मेरा सपना है बनना शिक्षक,

आदर्श शिक्षक बनकर,  
सबके सपना सचकर।  
स्थापित करना कीर्तिमान,  
बनना है, व्यक्तित्व महान ॥

पर सपने अक्सर जाते टूट,  
लगता है सब झूट।  
आती है बस हाथ निराशा,  
न कोई तमन्ना न कोई आशा।  
रह जाता न कोई साथ,  
दिन बनता जाता बस रात ॥

फिर भी नई उमंग के साथ,  
आगे बढ़ विताकर रात।  
स्वयं में हिम्मत को बाँधकर,  
जो हुआ उसे भुलाकर।  
दिल में तरंग जगाकर,  
करना है सपना साकार ॥  
एक दिन ऐसा होगा,

## उसका बचपन

छीनकर उसके हाथों से खिलीने,  
धमा दो उसे छेनी हथौड़ी  
मत दो उसको किताबें,  
करवाओ उससे मजदूरी  
ताकि बना सके तो अपनी टूटी किस्मत छोड़ी-थोड़ी  
उसका बचपन भी कोई बचपन है  
जिसके पास न सपने न धन है,  
तो क्या करेगा खेल के  
इतनी देर में कमा लेता चार पैसे  
ताकि पेट की आग बुझ सके,  
झोपड़ी में दिया जल सके,  
और बाप की दास चल सके  
अहा! ये नीनिहाल इस देश का कल है,  
कैद है आज भी, कैद जिन्दगी का हर पल है,  
आँख खोली गरीबों में इस पाप का जहाँ प्रतिफल है  
बचपन क्या है, उसे समझने मत देना,  
ताकि वो पूछ न बैठे सभ्य मानव से,  
आज के जीवित दुष्ट दानव से,  
कि मेरा बचपन कब आवेगा?  
क्या मेरा बालपन कभी खिल पाएगा?  
तब कौन उसे समझायेगा?  
कि, वह बड़ा हो चुका है  
बचपन आने से पहले बूढ़ा हो चुका है,  
शायद ये उसके पूर्व जन्म के कर्मों का फल है,  
बड़ा वो आज भी है, बड़ा ही वो कल है।

## हर पल लड़ना सीखो

अंधेरे में भी कभी रोशनी मिलेगी तुम्हें,  
पहले तुम खुद दिये की तरह जलना सीखो।  
हवा के साथ तो नाचीज तिनके उड़ते हैं।  
सख्त फीलाद की तरह खड़े रहना सीखो।  
दुनिया के खण्डहर में नाम बनके रह जाएगा,  
अगर मुँह खोल रहे हो, तो गरजना सीखो।  
धुआं चेहरे पर छोड़ जाता है हालात की लपटें,  
रूप सोने का चाहिए तो तपना सीखो।  
खेल बैसाखियों का तुम्हें अपाठित बना देगा,  
अगर मंजिल की चाह है तो अपने पैरों से चलना सीखो।  
छ्यालों, सन्न या रोने को जिन्दगी नहीं कहते,  
जिन्दगी जंग है, इसे हर पल लड़ना सीखो।

इस देश के लोग अजीब हैं।

अब आप ही देख लीजिए ऊपर लिखा है, इसे पढ़ना मना है और आप पढ़े ही जा रहे हैं।

## ईश्वर बनो

फूलों से तुम हँसना सीखो,  
और काँटों से मुस्काना।  
वृक्षों से तुम झुकना सीखो,  
काम दूतरो के आना।  
नदियों की धारा से सीखो,  
आगे ही बढते ही जाना।  
मुर्गे की बाँग से सीखो,  
ठीक समय उठ जाना।  
कोयल की बोली से सीखो,  
सबको मीठे बोल सुनाना।

## मेहनत का फल

मम्मी ने जब सुबह उठाया,  
नींद से मेरा सिर चकराया,  
स्कूल न जाने का बहाना बनाया  
असर न मम्मी पर कुछ आया।  
ब्रुश पर मैंने पेस्ट लगाया,  
ठण्डे पानी से नहाया,  
स्कूल की ओर कदम बढ़ाया।  
श्रुतिलेख में उत्तम आया।  
मेहनत का फल मैंने पाया।

## गुरु की महिमा

गुरु तो ईश्वर की परछाई है  
गुरु ने हमें अच्छी राह दिखाई है,  
अपने गुरु की क्या तारीफ करूँ जिनके कारण  
मंजिल हमें यहाँ तक ले आयी है।

माता-पिता ने दिया हमें जन्म  
पर सच्ची शिक्षा हमने गुरु से ही पायी है,  
इसलिए मैं कहती हूँ गुरु तो ईश्वर की परछाई है।

यह गुरु और शिष्य का रिश्ता ईश्वर ने बनाया है,  
क्योंकि ईश्वर स्वयं गुरु में समाया है।  
बिना स्वार्थ के गुरु ने हमें पढ़ाया है।

बड़े खुशनसीब हैं वे बच्चे  
जिनके सिर पर गुरु का साया है  
क्योंकि गुरु ने हमें योग्य नागरिक बनाया है।

यदि पढ़ा-लिखा कर गुरु हमें इस लायक न बनाते,  
तो शायद हम इस पथ पर न आते  
शुक्रगुजार हूँ मैं उन गुरुओं की  
जिनकोने हमें पढ़ाया  
यही चाहती हूँ कि हमेशा रहे  
हमारे सिर पर उनका साया।

## दोहे

राजनीति मीठी कभी और कभी नमकीन।  
जो नभ में उड़ते रहे, घायल पड़े जमीन।  
नेता तो होता नहीं, कभी कहीं बदरंग।  
वह गिरगिट की तरह, बदला करता रंग।  
विकट एलेक्शन हारकर, भये कौड़ी के तीन।  
कुर्सी तो पाये नहीं, तड़प रहे जस मीन।  
हर दल में आये गये, उन पर क्या विश्वास।  
दल बदलन के रंग में, जिनके रंगे लिबास।  
सिर पर खड़ा चुनाव तो जनता माई बाप।  
मैं सेवक हूँ आपका बाकी सब कुछ आप।  
चाहे जितना मारिए मरे न रावण-कंस।  
राजनीति के ताल में, बगुले बने हैं हंस।  
पिघल गये वे तुरत ही, पाकर हल्की ताप।  
दोष दे रहे फर्श को, फिसले जब वह आप।  
राजनीति होती नहीं, सदा-सदा अनुकूल।  
उसके पैरों के तले, छल छद्मों की भूल।  
चलते चलते जो गिरे, उठकर आगे आए।  
चलते चलते जा गिर गया, उसको कौन उठाए।

## हर राह पर फूल बिखेरता है

जीवन में कुछ उकेरना है।  
कभी हंसना है कभी रोना है।  
कुछ पाकर कुछ खोना है।  
अपनी कमियों को देखना है।  
दूसरों में खुशियों को बिखेरना है।  
अपने जीवन को एक नई राह दिखानी है,  
जो न कर सके तो जिन्दगी बेगानी है  
हर मोड़ पर काँटों का साया है  
फिर भी उन पर चल कर जाना है।  
जीवन में कुछ नया लाना है।  
रोते हुए को हंसना सिखाना है।  
समाज के भविष्य को बनाना है।  
क्योंकि जो आज हमारा है।  
वो कल हमारे सामने आया है।  
मजिल को पाना है,  
खुशियों का आना है।  
जीवन में कुछ उकेरना है  
हर राह पर फूल बिखेरना है।

## No time for studies

A year has 365 days.

There are 52 sundays in a year sundays are for rest, we feel so sleepy and tired that we cant study. Therefore, 313 days are left in a year summer vacations are for fifty days. It too hot during the summers and studying in summer vacations i quite difficult. Thus 263 days are left. We sleep for light hours a day that means 122 days in a year. Therefore, 141 days are left. Work do daily chores for 2 hours that means 30 days. Therefore, 96 days are left. We spend 1 hour with our friends which takes a toll of 15 days in a year. That means 81 days left in a year. 40 days are for festival holidays. Therefore 41 days are left. 30 days are for exams that means 11 days are left in the whole year in a year, we fall ill for 3-4 days. That means 7 days are left.

We attend marriages and parties for 5-6 days leaving only one day free in the whole year and that one day is my birthday. How can I study on my birthday.

## Girls ..... why a burden?

There was happiness all round  
As a new member was to join the family. The  
hours was full of relatives, Everybody was in a  
festive mood. But all the happiness was gone.  
When they come to know that a girl is born.  
She was a burden on his land, without a single  
sympathetic hand. she was not given proper  
care, And she didn't even don to ask. When she  
entered teen age. She lived as if in a cage For  
her parents she was still a burden They used to

call her the flower of someone else's garden The  
day came when she got married and went to her  
husband's place, with hopes of it being her  
wonderland. But after a few happy days, Again  
the near and dear once called her a burden.  
During the last days of her life she is a burden for  
her own children From whom life was born, their  
mother was treated a burden on the earth will  
she always be considered as a burden? When  
will she become the owner of her own?

## Child Labour

We have been talking about evils of child labour for the last 10 years in this country. But the of working children seems to be increasing. Instead of building up round public opinion against child labour and for compulsory primary education, we are still talking about child labour as being necessary for the survival of the family. The debate has not changed radically in the last 10 years. The result is that children continue to work in the most hazardous condition and compulsory education is still a dream.

The presence of child labour in hazardous industries is a gross violation of human rights. If children are not dying in explosions, they are dying as slow but sure death in a glass, brass-ware, lock, slate, balloon, brick-kiln and other industries.

Not only are children working in hazardous industries, they are also engaged in the most hazardous processes in industries which adult do not want to touch. In the glass industry,

children are primarily in removing molten glass from the furnaces. Since the furnaces are designed for adults, the child's face is almost touching the wall of the furnaces.

Accidents happen all the time and most of them, go unreported. Doctors refuse to treat injured or severely ill patients as they have to necessarily report medico legal cases.

Child labour in hazardous industry at least needs to be banned by a presidential order. The message needs to get home to all employers of child labour that this situation just cannot continue. Parents also cannot be allowed to justify sending their children to work in such industries on the ground of poverty.

The Bangalore based concern for working children (CWC) runs Gramashran a unique project to curb migration of child labourers from villages to cities. The project covers 52 villages in Karnataka. CWC also run a shelter for homeless working children in Bangalore.

## What Animals Can Tell Us

Many animals and birds can tell us what the weather will be. If a kitten sharpens its claws on the wall, rain is coming. If it covers its face with its paws, frosty winter is on the way. But if it rolls its back with its paws in the air, the days will be warm and dry.

A goose hides its beak under a wing when the weather is about to turn cold. Sparrows hop about in the dust and flap their wings when rain is in the offing. But birds and animals predict more than rain, wind, frost and warm days.

There was a geologist who had a very ordinary sheep dog. Once he was sitting at his desk late in the evening. His baby daughter slept nearby in a pram, and the dog dozed in the corner. All was peace and quiet. Suddenly

the dog leapt up, seized the baby by her nightdress, pulled her out of the pram and lunged toward the door. The geologist was terrified. He thought the dog had gone mad. He snatched up his rifle and rushed from the house. Just then the earth shook and the house collapsed. An earthquake had started. The dog had saved the whole family. This happened in the Turkmenian City of Ashkhabad. Three days before the earthquake, the snakes and lizards left their holes and the pigeons left their lofts.

Animals and birds can feel it when an underground storm is approaching. People may not notice if some where far off there is a slight tremor. But dogs, Snakes, Lizards and fish get excited. They know that something terrible is going to happen.

## History of Safety Matches

The safety match was invented in 1844 by the Surde Gustaf Erik Pasch and was improved by John Edward Lindstrom a decade later. The Lindstrom brothers had obtained a sample of red phosphorus from Arthur Albright at the Great Exhibition held at the Crystal palace in 1851 and made safety matches with it. They misplaced the matches and did not try them until just before the Paris exhibition of 1855.

They were still unstable... whom you strike a safety match, the glass on glass friction generates heat, converting a small amount of red phosphorus to white phosphorus vapor.

## Discipline

Discipline means mental and moral training of the mind and character to produce self-control. A disciplined man leads an orderly life and is the successful man. You move your feet regularly one after another. No one forces you to do so. Yet there is discipline at every step of life.

The first training of discipline is imparted to us at home. We learn to do things in the proper manner, to behave properly and to obey our parents and elders. We are taught all these things with affection, punishment, our final training comes in life.

## The April Fool's Day

Before 1546, one calendar was used throughout Europe in which each new year began on 1st April and so it was celebrated as New Year's Day. People used to exchange gifts and visit friends. In 1546, Charles, the King of France ordered the people to adopt a new reformed calendar. In this calendar, the year began on the 1st of January. Most of the people have accepted this new calendar. But there were some persons who did not like it. And as they continued to observe 1st April as New Year's Day. They became the butt of practical jokes and tricks for their friends and neighbours.

Their friends and neighbours sent mock gifts, invited them to fake parties and played tricks on them on 1st of April. In other words they were April's Fools.

So, this was how 1st of April became the "APRIL FOOL'S DAY"

## Education

Education is the all round development of mental and physical facilities of all individuals. A child is born with some talents. He has potentialities of body and mind, which find expression, as the child grows up. The healthy growth of these facilities is necessary so that the child of today may be a useful citizen of tomorrow which is possible by education.

Education never means learning of books and passing some examinations. People can be well educated without going to schools or without learning & writing.

## The Story of Tree 'Grandpa'

Why do you spend so much time in the garden? you never want to play with me!" Little Rohan complained to his Grandfather. grandpa was watering the plants in the garden. He smiled at Rohan and said, "Do you know how important trees are for us? we get fruits and vegetables from trees can you tell me how trees helps birds and insects". Asked Grandpa "Birds and squirrels make nests in trees, so the trees give them a home", Rohan said quickly.

Very good and insects feed on the leaves and bark of trees, Grandpa said "of Course I know that, we learnt that in Science", Said Rohan. "I also know we get wood from trees, wood is used to make furniture, the doors and windows of our house are made of woods. What other thing are made from wood, Grandpa?"

Grandpa sat down on the bench in the Garden with Rohan. He sipped his tea and explained, "wood is also used in making paper, synthetic cloth such a rayon and many other things. In cold place, wood is used as firewood in fireplace. You also get rubber, many dyes and gums from trees".

Rohan was impressed. "Wow! what does a tree eat Grandpa?" Grandpa pointed out a leaf to Rohan and Said, "The leaves used carbon dioxide from atmosphere to make food. while making food, oxygen is given out by trees." Grandpa slowly got up from the bench and began to walk around the garden again. He pointed out the soil at the feet of the trees and told Rohan. 'If we didn't have trees, the soil would be blown the fertile top soil. So, trees help in looking after nature' "I didn't know trees helps us so many ways, Grandpa shouldn't we all plants more trees?" Rohan asked, "Yes, of course. Big cities often do not have many trees. That is why the Vana Mahotsava was started in India by KM MUNSHI," said Grandpa. "Our teacher told us about that in school. She said we should all plants sapling on that day," Rohan said, "Thank you for telling me all about trees, Now I am going to plant some sapling in the garden!"

## My Teacher

Among all the world's living souls, Teacher is the one made of gold. The only one, who understands, That children belong to wonderland.

They like to live on the land of dreams. They need to float on cloudy streams. She is the one, who always responds, If a child needs necessary bonds.

She can touch their tender hearts, For that is the place, from where she starts, She fills their minds with a lot of sense, And helps to build their confidence.

She is the one, who raises great Doctors, Engineers and heads of states. Then all receive her love and care, They learn from her to help and share.

You can't imagine how much she knows. Personified wisdom form top to shoes, What all she gives can't be measured What ever she teaches must be treasured.

## Why not A Girl

People pray for a boy, not for a girl  
They desire a boy, not a girl  
Blessings of elders are for males, not for  
females  
They love to have a boy, not a girl  
But.....  
In the need of wealth  
They pray to goddess Lakshmi.  
In need of courage  
They pray to goddess Durga.  
In need of education  
They call upon Goddess Saraswati.  
Now tell me Why do they hesitate?  
To have a Goddess in their family. God has  
created all beings equal There can be no  
civilization where a boy & a girl are not equal  
partners. Shower your blessings on both, Be  
it a boy or a girl.

## Importance of Sports

Sports, in the modern era, are regarded much more than just a means of recreation. Sports are necessary for maintaining our health and physical fitness. They can be a positive experience for a child's body and his development.

'Health is wealth'. Those who know the importance of this proverb, they will themselves be aware of the role of sports in maintaining a good health for adequate development and growth of the body's physical structure, sports are must.

Sports also inculcate good qualities in us. Involving oneself in competitive sports will encourage healthy competition. Playing as a team in any sport, will develop the spirit of co-operation, brotherhood, patience etc. among the players.

Sports help in making a child more self-disciplined and strengthen up his immune system. They do not provide only recreation to the human body but are also a source of exercise.

Apart from these advantages and importance of sports, they are also a very viable part of a country's culture. They have given us an escape from the hectic life we live and a place of childhood fun.

"All study and no play makes Jack a dull boy". This proverb clearly defines to us the importance of sports in a person's life. In present scenario, where human life has become fast, one hardly finds any time for any physical sport but still sports holds acute importance in our life.

## शुभकामनायें

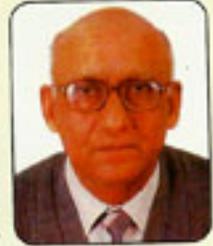

मुझे यह जानकर हर्ष की सुखद अनुभूति हो रही है कि सेन्ट जोज़फ विद्यालय अपनी स्थापना का रजत जयन्ती वर्ष बड़े ही हर्षोल्लास पूर्वक मना रहा है जिसकी स्थापना वर्ष 1987 में नीरू मेमोरियल सोसाइटी के अन्तर्गत हुई थी।

अपने ऐतिहासिक 25 वर्षों के संघर्ष भरी डगर में इसने कई बड़े डग भरे और इसके तत्वाधान में शैक्षिक संस्थाओं की कड़ी उत्पन्न हो गई है और नवीन संस्थाओं की स्थापना का क्रम जारी रखते हुए सोसाइटी ने अपने उत्थान और विकास में निरन्तरता बनाए रखी है। इतने मनोभाव से सोसाइटी के वृक्ष को सींचा जा रहा है कि उसमें से अनेक शाखाएं पुष्पित, पलित एवं प्रफुल्लित हो रही है।

नीरू मेमोरियल सोसाइटी के अन्तर्गत संचालित विद्यालयों के विद्यार्थी, शिक्षक एवं उससे जुड़े हुए अन्य लोग नित नये कीर्तिमान स्थापित कर जनपद से लेकर राष्ट्रीय स्तर तक अपनी विशिष्ट पहचान बना रहे हैं। इससे इन होनहारों की बहुमुखी श्रेष्ठता और संवागीण विकास झलकता है एवं सभी को अपनी ओर आकर्षित कर रहा है।

This is an auspicious occasion for St Joseph's family to release the Silver Anniversary issue of magazine. Undoubtedly another mile-stone has been passed in the forward march of school history. St Joseph school was born at the initiative, hopes, ideals and dedicated efforts of our Founder Manager Smt Pushplata Agarwal. 25 Years back when there was an immense need to have the quality educational institute in Raja ji Puram, St Joseph school came into existence as one of the most called for necessity. It gives me a great pleasure to have this opportunity to convey my gratitude for school magazine's silver edition.

All our readers will agree that this edition, as it now appears, is a fitting testimony to Smt Pushplata Agarwal's dedication to St. Joseph's long and proud remarkable and commendable journey. Simple and interesting articles of the magazine reflect belongingness as well as devotion from all concerned. We would like to express our sincere thanks to the teachers and students for such wonderful work and for being there with the management throughout these years.

Our motto, vision and mission serve to remind us that the "eternal" things which made our school special will always live on. We can remember with pride the achievements of our school, former pupils – not only those who have excelled in the various fields to serve the community in their different roles, but others too whose lives have been fashioned by the moral values, ethos and education imparted by our noble institute over these years.

# Fond Memories of 25 Glorious Years

## IT IS A MATTER OF PRIDE

It is a matter of pride for me as my name is associated with such a good school, named "St. Joseph" which has been continuously going ahead, towards success since the time it came into existence. My special thanks for its Founder Chairperson Mrs. Pushplata Agarwal who did this amazing job all alone. Very rightly she is called "A name dedicated to education" Now it is our duty to decorate her ideas and incorporate a good systematic educational plan for all the students of our school and with immense pride i can say that we have left no stone unturned to fulfill our duties & her desire.

We motivate our students to go through different co-curricular activities & develop good habits. After knowing the tastes of students we develop our pupils in a manner, so that later-on, they may be broad-minded, impartial, earnest, honest & self-disciplined in their real life, so that they may be ready to meet the call of the nation in near future.

In the last 25 years school has made us strong pedestrian for itself & our growth rate has been visible to all. All this happened with the vision & strength of our chairperson & simple yet impressive & fruitful ideas of our board of directors & continuous support of staff members, students & their guardians as well.

Shabnam Raza

## Twenty fifth years of outstanding achievement, no mean feat!

The gurgle of the infant, troubling laughter of the pre-primary and sporting delights of our primary ones are the best music to our ears, the smart growth of our juniors brimming with talent and the studious uprightness of the seniors are the best visual sights. We can hope for and as the seniors sail out in to the ocean of a myriad careers gathering the genes of wisdom and experience and then serving humanity with their skills, what better way of worshiping the almighty could we have even taught them!

All this and much more in St. Joseph for me personally it is the Karma Bhoomi where I have realized my educational dream and learnt the ways of life in my dealing with little children parents and our dear principals.

"Child is the father of the man" said words worth and St. Joseph truly places the 'child' above all else. All our efforts our schemes and our entire thinking are catered to lift the child from the lap of the mother to guide him towards the highest pinnacle of success.

Many more projects and packages by St. Joseph solely for the young child in our care have made St. Joseph synonymous with child care from age two and a half to age sixteen and even beyond.

I am deeply thankful to the St. Joseph founder Mrs. Pushplata Agarwal for inspiration and my best wishes to all the parents and guardians and loads of gratitude to them for their co-operation, and in the end I shower my love and blessings to all the children whose smiles keep us alive, awake and ready to sacrifice our all for their continued happiness and well-being.

## A Journey of 25 Years

I (Satyabhama Tiwari) have been working as an English lecturer in St. Joseph Rajajipuram Branch for twenty years. I always got a family atmosphere in our college. My founder, Manager, Pushplata 'mother mam' is really affectionate mother for staff and students. She and the best son of a talented mother, our director Anil Agrawal Sir, are very co-operative, sympathetic and supporting. Our director sir, is very innovative and has brought a lot of changes in the institution.

So far as my personal views are concerned due to good atmosphere I have deep attachment with our college. If our mother mam and director sir are owner of this garden, I also as a gardener with heartily dedication and devotion have looked after this garden. When I took that the tree of our St. Joseph has become so tall and wide and has many branches, flower and fruits, I have no words to express my joy. Due to all the above reasons during 20 years many other schools offered me. But I could not leave my favorite institution. I think I am very lucky that I got opportunity to work in St. Joseph because the students and guardians are also very co-operative and supportive

Now during the sunset of my life, I wish, my last days also may be spent like today with our children.

May God! Prosper more and more our St. Joseph.

## बीते हुए अनमोल क्षण

सेन्ट जोजफ विद्यालय के रजत जयन्ती वर्ष को मनाते हुए मुझे हार्दिक प्रसन्नता की अनुभूति हो रही है। सन् 1987 में राजाजीपुरम् क्षेत्र में माननीया पुष्पलता अग्रवाल जी ने सेन्ट जोजफ मान्टेसरी स्कूल स्वी पीथा लगाया था आज यही पीथा विकसित होकर एक वृक्ष का रूप धारण कर चुका है। मैं इस विद्यालय से लक्ष साइस वर्षों से जुड़ी हूँ। इस विद्यालय में छात्र-छात्राओं के सर्वांगीण विकास पर विशेष ध्यान दिया जाता है। यहाँ उचित निर्देशन से बच्चों में छिपी प्रतिभा को उजागर करने के लिए समय-समय पर विभिन्न

प्रतिस्पर्धाएँ व कार्यक्रम आयोजित किए जाते हैं। विद्यालय का अनुशासन एवं परीक्षाफल अविरल उत्तुंग शिखर पर पहुँच रहा है। विद्यालय का वातावरण स्वच्छ एवं सबरामक है। गत वर्षों में विद्यालय ने हर क्षेत्र में महान उपलब्धियाँ प्राप्त की हैं। आज हमारा विद्यालय ऐसे मोड़ पर पहुँच गया है जहाँ से छात्र-छात्राओं की उन्नति के समस्त मार्ग प्रशस्त होते हैं। इस विद्यालय में एक शिक्षिका के रूप में कार्य करना हमारा परम सौभाग्य है।

## अनुशासन ही सफलता का पर्याय है।

यह मेरे लिए अत्यन्त हर्ष और गौरव का विषय है कि हमारा विद्यालय अपनी रजत जयन्ती वर्ष मना रहा है।

मैने सन् 1989 में विद्यालय में अध्यापन कार्य आरम्भ किया था तब विद्यालय में केवल आठवीं कक्षा तक की ही पढ़ाई होती थी। लेकिन कुछ ही वर्षों में निरंतर प्रगति करते हुए इण्टर कालेज बन गया। विद्यालय का परीक्षाफल शतप्रतिशत रहता है। विभिन्न शैक्षणिक, सांस्कृतिक व खेलकूद की प्रतियोगिताओं में विद्यालय के छात्र-छात्राओं ने प्रतिवर्ष कई पुरस्कार जीते हैं।

यह विद्यालय की अच्छी पढ़ाई व अनुशासन का ही परिणाम है कि निरंतर प्रगति के पथ पर चलते हुए विद्यालय की तीसरी शाखा भी शीघ्र ही खुलने वाली है। यह हमारे विद्यालय की लोकप्रियता व अच्छे परीक्षाफल का ही परिणाम है कि आज सेन्ट जोजफ कालेज शहर के प्रतिष्ठित विद्यालयों में से एक है।

मेरे लिए विद्यालय मेरे परिवार की ही तरह है विद्यालय निरंतर प्रगति करे अपना नाम कटे यह मेरी हार्दिक इच्छा है।

## शिक्षा और चारित्रिक विकास

मुझे अपार हर्ष का अनुभव हो रहा है कि सेंट जोज़फ इण्टर कालेज अपनी स्थापना की रजत जयन्ती मना रहा है। मैं यह सोचकर स्वयं को गर्वान्वित महसूस करती हूँ कि मैं भी इसका एक हिस्सा हूँ। वैसे तो सभी विद्यालय तथा वहाँ दी जाने वाली शिक्षा एक समान ही होती है, परन्तु सेंट जोज़फ थोड़ा हट के है, यहाँ शिक्षा के साथ-साथ बच्चों में नैतिकता तथा चारित्रिकता के बीज भी रोपित किये जाते हैं जिससे वे भविष्य के

सच्चे शिक्षित नागरिक बनते हैं। साथ ही यहाँ की परिवार भावना सेंट जोज़फ के सभी सदस्यों को जोड़े रखती है जो बेमिसाल है। शायद यही वजह है जिसके कारण मैं पिछले बीस वर्षों से सेंट जोज़फ विद्यालय परिवार का अभिन्न अंग बनी हुयी हूँ। इसके लिये मैं सेंट जोज़फ विद्यालय समूह की संस्थापक एवं मुखिया श्रीमती पुष्पलता अग्रवाल जी की सदैव ऋणी रहूँगी, जिनके सानिध्य एवं निर्देशन में आज मैं इस मुकाम पर हूँ।

## नैनीताल की स्मृति

यह अत्यन्त हर्ष का विषय है कि सेंट जोज़फ इण्टर कालेज प्रबन्धिका श्रीमती पुष्पलता अग्रवाल और निदेशक श्री अनिल अग्रवाल के संरक्षण में रजत जयन्ती मना रहा है।

इस रजत जयन्ती के अवसर पर हमारी प्रबन्धिका महोदया एवं निदेशक महोदय ने शिक्षक दिवस को लखनऊ से बाहर नैनीताल में मनाने का निश्चय किया। हम सभी लगभग 100 अध्यापक/अध्यापिकाएँ नैनीताल जाने के लिए तैयार हो गये। ट्रेन के द्वारा हम सभी साथी लालकुआँ पहुँचें। लालकुआँ से हमलोगों ने जीप के द्वारा सफर करना तय किया। लालकुआँ से जब जीप चली तो सारा दृश्य ही बदल गया। ऊँचे-ऊँचे पर्वत शिखर हरे मखमली कालीनों जैसे खेत देखकर ऐसा प्रतीत हो रहा था मानो पहाड़ों पर हरी-हरी मखमली कालीन बिछी हो। प्रातः कालीन ठण्डी-ठण्डी हवा मन को अन्दर तक छू रही थी। विविध प्राकृतिक दृश्य देखते हुए हमारी जीप पहाड़ों पर ऊपर की ओर बढ़ती जा रही थी तभी मैं अकस्मात चीख पड़ी क्योंकि ऐसा दृश्य मैंने पहले कभी नहीं देखा था। चारों ओर बर्फ से ढके हुए पहाड़ उनपर पड़ती हुई सूरज की किरणें ऐसी प्रतीत हो रही थी मानो श्वेत ओटनी में सुनहरा बार्डर लगा हो। चारों ओर बर्फ से ढकी हुई पर्वत श्रेणियाँ दूर से देखने पर रत्नजड़ित मुकुट के सामान प्रतीत हो रही थी।

हम सभी नैनीताल पहुँचकर अरोमा होटल में ठहरे। जो काफ़ी ऊँचाई पर चारों ओर से ऊँचे-ऊँचे सुन्दर वृक्षों से घिरा

हुआ था। होटल में नाश्ता, खाना की व्यवस्था बहुत अच्छी थी। वहाँ विश्राम करके अब हम सभी ने नैनीताल भ्रमण करने का निश्चय किया। पर्वत श्रेणियों के बीच नैनीश्रील ऐसी सुशोभित हो रही थी जैसे किसी कटीती में सृष्टि की सुन्दरता का सुख भर दिया गया हो। नैनीताल को देखकर नीका विहार करने का निश्चय किया। घीमी हवा चल रही थी हमारी नाव मन्दर गीत से तैरने लगी। चारों ओर बिखरी सुग्गा वायु की मन्द-मन्द सरसराहट और जल की कलकल ध्वनि ने हमें मन्न मुग्ध कर लिया।

नैनीताल पहुँचकर ऐसा लगा मानो यह सर्वधर्म सम्भाव की नगरी हो। नैनादेवी मंदिर से आगे वाली शंख ध्वनि, मस्जिद से उठने वाली अज़ान की सदाये और गुरुद्वारा से गुरुवाणी के पावन स्वर एक साथ मिलकर मन मानस का आनन्दित कर रहे थे।

हम सभी ने वहाँ के सभी दर्शनीय स्थल जैसे टाइगर गुफा, चिड़ियाघर, हिमदर्शन, लव्वाइंट, मलीताल आदि देखे। कुछ प्राकृतिक दृश्यों को अपने कैमरे में कैद किया। वास्तव में हमारी यह यात्रा आर्थात शिक्षक दिवस बड़ी रोचक, और नए-नए अनुभवों से भरा हुआ था। आज भी जब उन दृश्यों की याद करती हूँ तो मेरा मन उन्ही वादियों और घाटियों में चला जाता है।

मे आभार प्रकट करती हूँ प्रबन्धिका महोदया (मदरमैम) तथा निदेशक महोदय का जिन्होंने 2011 के शिक्षक दिवस को एक यादगार बनाया।

**विद्या शुक्ला**

## उन्नति के पथ पर अग्रसर सेन्ट जोजफ

मैं श्रीमती शैल वर्मा हिन्दी अध्यापिका सेन्ट जोजफ इण्टर कॉलेज, राजाजीपुरम्, शाखा-लखनऊ में बीस वर्षों से कार्यरत हूँ।

यहाँ की मदर मैम (प्रबन्धिका महोदया) श्रीमती पुष्पलता अग्रवाल जी एवम् उनके सुपुत्र श्री अनिल अग्रवाल जी के संरक्षण में मुझे विद्यालय परिवार की भाँति प्रतीत होता है। जहाँ वर्षों का समय ऐसे बीत गया जैसे कल ही की बात हो। मैनेजर मैम अत्यन्त कर्मठ एवं प्रगतिशील महिला हैं, जो हमारी प्रेरणा स्रोत हैं। मेरी जब विद्यालय में नियुक्ति हुई उस समय विद्यालय अपनी शैशवावस्था में था। मदर मैम (मैनेजर मैम) के मैत्री पूर्ण व्यवहार तथा प्रगतिशील मनोवृत्ति से विद्यालय में शिक्षक प्रधानाचार्या और प्रबन्धक के मध्य का सम्बन्ध अत्यन्त सौहार्दपूर्ण है। जिससे विद्यालय निरन्तर प्रगति के पथ पर अग्रसर होता जा रहा है।

अपने बीस वर्षों के अनुभव में मैंने विद्यालय के कई उतार-चढ़ाव देखे परन्तु सतत कर्मशीलता, दृढ़ता और सत्यनिष्ठा से मैम ने उनका सामना करके विद्यालय को सदैव नयी दिशा प्रदान की और अपने अधीनस्थ समस्त कर्मचारियों को प्रेरणा देकर उनका उचित मार्ग प्रशस्त किया।

विद्यालय में छात्र-छात्राओं के व्यक्तिगत के धर्मुमुखी विकास पर विशेष ध्यान केन्द्रित किया जाता है। जिससे आज प्रत्येक क्षेत्र में विद्यालय के छात्र-छात्राएँ अपना परचम लहरा रहे हैं। विद्यालय में कार्यरत विषय-विशेषज्ञ शिक्षकों के द्वारा विद्यार्थियों को उच्च गुणवत्ता युक्त शिक्षा प्रदान की जाती है। विद्यालय की प्रधानाचार्या श्रीमती शबनम रजा मैडम समय-समय पर संगोष्ठी और विचार-विमर्श के माध्यम से सम्पूर्ण विद्यालय को सफ़ारात्मक दिशा प्रदान करती रहती है। जिनका व्यवहार विद्यालय के समस्त कर्मचारियों के प्रति विनम्र उदार एवं सहानुभूतिपूर्ण है।

प्रबन्धिका महोदया के कुशल प्रबन्धन एवं डायरेक्टर सर श्री अनिल अग्रवाल जी के सर्वश्रेष्ठ निर्देशन में विद्यालय आज निरन्तर नवीनता और श्रेष्ठता के पथ पर अग्रसर होता जा रहा है। पच्चीस वर्षों में विद्यालय के स्वरूप में प्रतिक्षण एक नवीन परिवर्तन हुआ है। यह परिवर्तन प्रगतिशील, उन्नतिशील और एक आशावादी दिशा की ओर उन्मुख होता है।

अतः मुझे आशा ही नहीं पूर्ण विश्वास है कि आने वाले भविष्य में विद्यालय-महाविद्यालय बनकर अपनी सफलता के चरम-शिखर पर होगा।

जय हिन्द!

शैल वर्मा

मैतिक मूल्यों को विकसित करने वाला,

छिपी प्रतिभा को मूर्त रूप देने वाला।

कर्तव्य निष्ठ नागरिक बनाने वाला,

शिक्षा का मंदिर सेन्ट जोजफ हमारा।।

शिक्षा के क्षेत्र में गुणवत्ता की समस्या को दूर करने के लिए श्रीमती पुष्पलता अग्रवाल जी ने सन् 1987 ई0 में राजाजीपुरम् में सेन्टजोजफ माण्टेसरी स्कूल स्वीपी जो पीथा लगाया था, आज यह 2011 में वट वृक्ष का रूप धारण कर चुका है। पिछले दो दशकों से इस विद्यालय में एक शिक्षिका के रूप में कार्य करना मेरा परम सौभाग्य है। इस विद्यालय स्वीपी वट वृक्ष की छाया में अभिभावकों को अपने बच्चों को बैठाकर सन्तोष प्राप्त

होता है। इसके साथ शिक्षक एवं विद्यार्थी भी स्वयं को यहाँ सुरक्षित अनुभव करते हैं। प्रबन्ध तंत्र के सहयोग से अध्यापक-अध्यापिकाएँ विद्यार्थियों में छिपी प्रतिभा को साकार करने का प्रयत्न कर रहे हैं। विद्यालय का वातावरण स्वच्छ, सुन्दर एवं सकारात्मक है। विद्यालय विद्यार्थियों को सफल एवं उपयोगी नागरिक बना रहा है। शिक्षा के क्षेत्र में निरन्तर हो रहे परिवर्तनों से भिन्न रहते हुए हमारा विद्यालय अपना दृष्टिकोण व्यापक रखता है। विद्यालय की रजत जयन्ती वर्ष पर मेरी यही कामना है कि भविष्य में भी हमारा विद्यालय शिक्षा के क्षेत्र में नए-नए कीर्तिमान स्थापित करके इसी तरह भारतीय संस्कृति के मूल्यों की रक्षा करता रहे।

## FLASH BACK SIGHTS

I Menka Nanwani, started my journey as a teacher in St. Joseph Inter College in 2004. I agreed myself as a part/ member of St. Joseph family.

I took oath-lord,  
when I am wrong make me willing to change,  
when I am right, make me easy to live  
strengthen me that the power of my example  
will for exceed the authority of my rank.

Initially the school consists of hardly seventy students but the discipline and norms

of the school inspired me to content in this caring and affectionate family, later on I became familiar with the nature of Honorable Manager Ma'am MRS. PUSHPLATA AGARWAL who helped me out in every step where ever needed. This encouraged me to devote my whole life to St. Joseph, we had worked hard & with the support & inspiration of our 'Mother Mam' & board of directors, today we are touching the loftiest cliff whose grandness and height can be seen by stars only.

## GLORIOUS GLIMPSES WITH ST. JOSEPH

A deep sense of appreciation, gratitude and joy swing through my heart as I greet. I have started my journey with St. Joseph in the year 2001 as I reminiscence over the glorious experience my heart fills with love, admiration, and pride for everything which the college has provided me.

Rays of thoughts emerged to lend a helping hand to the future citizens of India as such to enable an empty canvas of a child to develop into a well developed personality. Keeping this thought and view our most backward area was selected as a challenge. St. Joseph was established in 2004 at Thakurganj. With collaboration of our inspired guidance of seniors and with a handful of students, foundation of this society was laid.

Having successfully crossed the various cartels encountered on the way of its growth. To respond effectively and creatively to the growing needs of today's society we focus on an educational programme which revolves around equipping our students with such qualities of head and heart that they

confidently plunge into any field of activity which is socially useful intellectually elevating and spiritually ennobling. We train our students to think globally, systematically and analytically.

I am grateful to the management and administration for best owing me with the responsibility of cultural in charge and making me understand the significance of culture, in the light of this responsibility. The students have always brought glory to this school. Whatever our goal may be, it should eventually be aimed at the success and rise of students and institution.

Today St. Joseph is not just a college but is a family in which the educational community, the management, staff, students, parents and alumni work untiringly to foster the family spirit with this spirit we have made a deep impact in creating goodwill among all sections of society.

God bless us and all those who are labouring untiringly to keep moving ahead on the path of progress may we learn from the past, fulfill the needs of present and look forward with hope to a bright future.

## "HIGHLIGHTS OF MY GLORIOUS MOMENTS IN ST. JOSEPH INTER COLLEGE"

The day I stepped in St. Joseph Inter College, I was firmly determined to put my full efforts to keep the banner of this school flying high in the sky. I love the students so much that sometimes I feel that I am their real mother. As pre-primary section of school is the concrete foundation of every educational Institute so I have interacted and shared great equation with small kids and their parents.

I feel honored and thankful to 'Mother

Mam' Mrs. Pushplata Agarwal for giving me a chance to become a part of this renowned institution and many more years are yet to come in which many stones have to be polished as diamonds. I learnt the true meaning of words like dedication and loyalty from this institute and how can I ever thank 'Mother Mam' for her un-conditional support through all these years to the institution.
