The Success Story!

"Build special capacities through the education system to enable student growth and contribute towards economic development." A.P.J. Abdul Kalam, Former President of India.

St. Joseph Mont./Inter College, the dream child of Mrs. Puspplata Agarwal is the epitome of her commitment and dedication to provide affordable and qualitative education to the Indian society. This eventful journey started almost two and half decades back on 14th April, 1987 with a small group of 135 eager pupils and an enormously ambitious vision of the founder. So focused and resolute was her approach that during this short span, the institution successfully overcame formidable barriers to come out with flying colors and make a mark of its presence on the horizon of city's educational landscape.

The illuminative and philosophical leadership has guided the highly skilled and motivated teaching faculty to help deliver meaningful education to the pupil of the institution. In such a short span of time the institution boasts to have risen to a strength of over 5000 students at the end of the academic session 2011-2012, seeking education with an objective of becoming a responsible member of the society.

Mrs. Pushplata Agarwal, inspired by her daughter "Neeru" laid the foundation of "Neeru Memorial Society" to commemorate of her fond memory with the sole objective to impart purposeful education to one and all. Under the aegis of this society St. Joseph Mont./Inter College, the institution was established. The first branch started from Rajajipuram in the name of St. Joseph School in the year of 1987. This was followed by St. Joseph Inter College at Thakurganj in 2004 and St. Joseph Play way, Rajajipuram in 2005 and extending the remarkable journey of success, now a new branch equipped with international facilities is going to be opened shortly at Ansal's Golf City, Sultanpur Road, Lucknow

Our students have not only excelled academically but also did brilliantly by winning in Republic Day parade, annual sport activities of the institution and other cultural events held over the years. They have brought glory and fame to themselves as well as to the institution by winning laurels and performing magnificently.

Where learning and joy combine.

About the School

St. Joseph Mont. / Inter College is an I.C.S.E. / I.S.C. coeducational institution, that combines the very best in educational practices, powered and propelled by a philosophy of education that is diverse and yet truly modern.

The school housed in an imposing structure is presently entering into its '27th Year' of service to the nation. In keeping pace with the technological progress and the advent into the 21st century, the school has introduced Computer Aided Learning to make teaching and learning more effective and has made this temple of learning equipped with the most advanced teaching and learning aids such as **Edu-Comp Smart Class**, which is a first of its kind, teacher led educational content based solution that has dramatically improved learning outcomes.

We also provide **Fransiscan E-Care Services** through which parents are kept informed about their ward's report and other school information on a day to day basis.

Our unique smart assessment system instantly allows teachers to assess and evaluate the learning achieved by the students.

St. Joseph Mont./Inter College got its affiliation to Council for the Indian School Certificate Examination (ICSE), New Delhi in the year 2004 and further in the year 2006 for ISC. The teachers and students of the institution have strived hard to achieve 100% result, consecutively for the last eight academic sessions.

The entry point is Play-Way or Nursery as the case may be. The Josephian's who leave after 16 years of adventurous and enjoyable schooling, have always been knowledgeable, self-confident and mature individuals.

Marching ahead on the road to success, powered by a truly modern philosophy of education, St. Joseph Mont. / Inter College positively holds a mirror to a bright and resplendent future, whose motto is appropriately EXCELSIOR.

From The Desk of Founder-Chairperson

Education is a dynamic and a never ending process. In today's rapidly changing world the philosophy of education, its priority and perception is taking newer concepts and forms to meet the challenges thrown by the growing impact of globalization and exposure to modern technology.

We at St. Joseph are constantly striving to plan and implement policies and activities to meet this situation and shape the minds and hearts of the young students in becoming a skillful and positively objective oriented human being. We set-out with this objective in mind and belief at heart that we will do it.

Today after more than two decades I am proud to state that my team of highly unswerving teachers, accomplished Principals and Staff Members has made it possible for the institution to provide every student a promising future and an excellent opportunity for all round development of personality.

We provide our students with a holistic learning experience which not only emphasizes on academic front but also promotes healthy life styles, cultivates ethical social values, critically analytical thinking and instilling a desire for learning through out their life. The harmonious and peaceful environment induces material productivity and spiritual uplifting. To achieve all this we start from the beginning. Through our playway methods the Pre-primary children learn spoken english, basics like table manners, etiquettes, polite conversation, team work, community living, etc to name a few.

The institution today can boast of having a faculty which has put in its unflinching and wholehearted effort in placing it at a high pedestal. Their meticulous planning and execution with a constant eye on every minute detail has ensured that every pupil coming to this school achieves perfection of mind and soul.

It has been our constant endeavor to keep abreast with changing trends and keep ourselves updated for any new thought or change so that our students are delivered the best in education. Newer challenges encourage us even more to better ourselves at every given opportunity.

..... and the success story continues.

The Aim

"To achieve success we just need to set a goal and work for it with heart and soul". The aim of the institution is to impart value aided education.

We are committed to serve the nation's children through high quality educational endeavors, empowering them to contribute towards a humane, just and pluralistic society, promoting introspective living, by creating learning opportunities, with a commitment to excellence.

The Vision - *An unfailing fountain of inspiration.*

To make St. Joseph Mont. / Inter College city's pride, our founder chairperson from the inception has focused herself in taking requisite steps in providing an environment which allows every child the freedom to grow his / her talent in the field of their interest. She helped us to ensure that every child's individuality is preserved and nurtured. We therefore not only believe but practice the fact that every child is God's greatest gift to mankind.

Mission - *Every day is a challenge, every challenge a learning experience.*

The highly trained and committed teaching faculty under the dynamic leadership of the Principal and Staff Members work together with a highly thought out training programme to initiate a process which gives confidence to every pupil to explore his/her complete potential. The use of conventional, contemporary and advanced methods of education guarantee the optimum exploration of human mind in imparting education as well as receiving it.

To impart quality education and enable the students to pursue excellence in the field of their choice.

To ensure proper physical, mental and moral growth of the pupil and to create in them a zest for learning in tune with modern scientific temper.

To widen the mental horizons and to broaden the outlook of the pupil through inculcation of the Reading Habit and the Book Culture.

To arouse in them the aesthetic sense in order to appreciate and uphold the beauty of nature and everything in it both animate and inanimate.

To provide the pupil with opportunities (through a built in system of co-curricular activities) to be innovative, independent and confident so that they may ever channel their energies towards creative pursuits.

To help them to understand and appreciate that one's own good lies in the general good, through training in cooperation, team spirit and concern for others expressed through genuine service.

Playway - *The beginning is promising.*

Carving out niche..... to a bright future.

Nevertheless, aspiring forever the best. Yes, all set and on its mark is our PLAYWAY wing with State of the Art facilities, to help our tiny tots and young buds blossom into fresh fragrant flowers.

Spacious and hygienically sanitized rooms are its speciality.

Attractive toys of latest techniques, helping to develop innovative mental skills are given priority. Games, sports and other constructive activities further facilitates in nurturing the children full-fledgedly, not only to enrich their academic development and inherent talent but also to ensure a remarkable growth in their personality.

Health is a state of complete harmony of the body mind and spirit.

Inherent talent and skill we try to drill.

Tapping the feet together

*Stick to the fight till you are hardest hit,
Rest if you must, But don't you quit.*

Co-Curricular & Cultural Activities

A dedicated team of qualified full time teachers in Arts, Craft, Music, Dance and Dramatics hunt and nurture the talent throughout the session. Our students have made their mark at District and State Level in co-curricular activities including elocution, debate, quiz, science fairs & various other competitions. Debates held under Frank Anthony and Essay writing competitions under Albert Burrow have been won several times.

Celebrations

Adopting a secular bent of mind, St. Joseph always gives way to loud celebrations full of vigour and enthusiasm on various occasions be it Holi, Diwali, Christmas, Eid which proves to be enjoyable and rejuvenating not only for children but also for faculty and management.

Class Work & Home Work

Class-work and home-work is given regularly according to the timetable written in the school diary. An inspection department is also set up to check our students class-work and home assignments. Notebook and workbook from all classes are collected before each examination (1st Term, half-yearly, 2nd Term and Annual) and re-checked thoroughly to ensure that they are as per the course or not.

Examinations

Monthly tests are held in the last week of every month. 1st Term, Half Yearly and 2nd Term test are held before the Annual examinations thus dividing each session into four terms.
